

Dance & Athletics

Morning Conservatory Program

Now Enrolling for the 2019-2020 School Year!

Inland Pacific Ballet Academy offers a rich and fulfilling daytime Conservatory Program that includes dance movement and athletics training along with academic enrichment for homeschool students. Our program choices include a two-hour Academic Workshop, Dance Lab with ballet and contemporary dance, Broadway skills, and conditioning and strength training, and athletics training. Convenient morning hours allow for socialization time with optional extended Learning Center hours also available.

- Discover the joy of dance and movement
- Explore personal artistic expression
- Training by industry professionals
- Explore a variety of sports skills
- Socialize with peers in a group setting
